Performance and Wellness Program Grant - Year 3 Frequently Asked Questions

1. **When can my agency apply for this grant?**
The grant application period is from September 1, 2026 to November 30, 2026. The application will be posted on the NCACP website.
2. **If my agency applied and received the grant in Year 1 and/or Year 2, is my agency eligible for the grant in Year 3?**
Yes. An agency that received the grant in Year 1 and/or Year 2, is eligible to receive the grant in Year 3. The agency must still submit an application.
3. **If my agency did not apply or receive the grant in Year 1 and/or Year 2, can we still apply for the grant in Year 3?**
Yes. All agencies are encouraged to apply for the grant in Year 3.
4. **Are there additional requirements for those agencies that received the grant in Year 1 and/or 2, when applying for the grant in Year 3?**
Yes. If any question in the Year 3 application under “Section 1: Primary Requirements for Applicants” was answered in the Year 1 and/or Year 2 application as “Commit to....” the agency must advise the progress they made in Year 1 and/or Year 2. Example: Your agency checked the box “Commit to establishing a Chaplain Program”. Your agency must indicate what progress was made in establishing this program in the Year 3 application.

5. When will my agency be notified if they are awarded the grant?
The grant committee will begin reviewing applications before the applications close on November 30, 2026, though agencies will not be notified of being awarded the grant until after the closing of applications. The first award notifications should go out within the first two weeks of December, 2026.
